

COVID-19 Opportunities and Investment Support Measures for Bio-Circular-Green (BCG) Economy in Thailand

Thailand Board of Investment (BOI) European Offices cordially invite companies committed to building a sustainable future to discover Thailand's strategy in shaping a green and circular economy.

Webinar speakers will share their insights on:

- The current state of the Thai bio-economy industry and Thailand's strategy to develop a green and circular economy
- Government support through Thailand Board of Investment (BOI) to sustain development of Thailand's bioeconomy
- How PTT Global Chemical (PTTGC), a Thai industry leader in the chemical and petrochemical sectors, is adding circular economy practices to its sustainability strategy.
