

With the coordination of

**DASS and Thailand Board of Investment (B.O.I.) have the pleasure
to invite you to discover**

The Business and Investment Opportunities in Thailand's Aerospace Industry !

Strategically located in the centre of Southeast Asia, Thailand is set to be a regional hub for the aerospace industry. Thailand has recently evolved into a regional aircraft service and maintenance centre and is preparing ground to be a major manufacturing platform for the aerospace industry. Lots of opportunities await companies in this sector!
